

To whom so it may concern ...!

Prevention is Better than Cure ...,

- You can save Family / Friends / Students if you realize on Cybercrimes as early as possible only by guiding them properly by experts
- Almost Everybody is using Mobile, and intern many of them are using social media..!
- With lack of proper guidance/awareness many of the citizens are losing time / money / dignity and sometimes lives too.
- As per the Mint newspaper survey 59% of the Indians are trapped by the cyber crooks in the last one year.
- As per records citizens lost 4,000 crores **"ONLY"** in Hyderabad, off the records it could be more than 10 times. In addition to that physical / mental agony and losing lives also.
- Below are few Cyber Crimes clips collected for your reference from the newspapers.

Check the newspaper Daily for more information

- ❖ Students / Citizens are getting mentally disturbed due to black mailing / morphing / in contact with unknown person online, with this they are losing time / money / studies and sometimes lives also.
 - ❖ Educational Institutes must realize that, and consider it as a threat. As they are losing students intern, if their students suffers physically / mentally / emotionally as it directly affects the studies.
 - ❖ Like Vaccination for Corona, in a similar way providing the General awareness on Cyber crimes can mitigate the problem of Cyber threats (non-technical).
 - ❖ Cyber victims hardly reveal and Future victims don't know how they could be trapped (More than 78 kind of frauds (non-technical traps) are there.
 - ❖ Earlier Criminals were in Railway stations / Bus stands/ Market places, now they are in Internet (Mobiles).
 - ❖ We were taught and we are guiding our kinds on dangers of knife / electricity / lizards but missing in creating awareness on cyber crimes at home / educational institutions!!
- Here is the person's name **Mr. Pothi Reddy Madhava Reddy**, was graduated from **NIT Warangal**, creating "**Awareness on Cyber Crimes**" since 2014 relentlessly to all communities like students, professionals (IT & Non-IT), caste orgs, religion orgs, police (Civil, AR& CISF) personal with Power Point presentation (PPT).
 - He conducted more than 100 awareness sessions on Cyber Crimes which includes the latest to more than 3000 Telangana Police officers through Hybrid (offline / Online) mode from Telangana Police academy (TSPA) on 28th Nov 2021.
